Failure to attach documentation or attaching incorrect or incomplete documentation will delay processing of the return or result in corrections being made to the return.
WHO MUST FILE A RETURN
If you had Highland Park taxable income greater than $5,000 of your personal and dependency exemptions, you must file a tax return — even if you did not file a federal tax return. See Exemptions schedule for more information on your allowable exemption total. You are required to file a tax return and pay tax even if your employer did not withhold Highland Park tax from your paycheck. You will be required to make estimated income tax payments if you work for an employer not withholding Highland Park tax from your 2013 wages.

ESTIMATED TAX PAYMENTS
When your total income tax is greater than the amount of tax withheld plus other credits by $100 or more, you may be required to make quarterly estimated tax payments. File Form HP-1040ES (available on the Highland Park website) by April 30 of the tax year and pay at least one-fourth (¼) of the estimated tax. The remaining estimated tax is due in three equal payments on June 30 and September 30 of the tax year and January 31 of the following year. Adjust the remaining quarterly payments if your income increases or decreases during the year.

Failure to make required estimated tax payments or underpayment of estimated tax will result in assessment of penalty and interest. If you have made estimated tax payments and do not owe more tax for the year, you still must file a tax return.

DUE DATE AND EXTENSIONS
Returns are due on or before April 30, 2013. The due date of the annual income tax return may be extended for a period not to exceed six months. To apply for an extension, file Form HP-4868, Application for Automatic Extension of Time to File an Individual Income Tax Return. Applying for a federal extension does not satisfy the requirement for filing a Highland Park extension. Application for an extension must be made and the tentative tax due must be paid (MCL 141.164). Filing an extension with payment is not a substitute for making estimated tax payments. An extension does not extend the time for paying the tax due.

When an extension form is filed and the balance due is paid, it may be assumed that the extension is automatically granted unless otherwise notified. Interest and penalty is charged on taxes paid late even if an extension of time to file is granted. Penalty may be waived by the Highland Park Income Tax Administrator if the tax paid by the original due date is understated by more than 5% of tax or the corporation can show that the failure to pay on time was due to reasonable cause.

AMENDED RETURNS
File amended returns using the HP-1040. Clearly mark AMENDED at the top of the return. If a change on your federal return affects Highland Park taxable income, you must file an amended return within 90 days of the change and pay the tax due. An adjustment must be made for tax paid or refunds received from the original return. Write in the tax paid or refund received to the left of the box on which they appear. 2. Payments and credits schedule, line 4; Include the tax paid and subtract refunds from the original return when totaling amended return payments and credits. All schedules supporting the changes should accompany the filing. Every change must be maintained. Mail or hand over to: Highland Park Income Tax, 3401 Eavaline, Hamtramck, MI 48212.

CHARGES FOR LATE PAYMENTS
All tax payments remaining unpaid after they are due are liable to a penalty of 1% per month, not to exceed a total penalty of 25%, and bear interest at the rate of 1% above the prime rate on an annual basis. The minimum combined charge for interest and penalty is $2.00.

These instructions are interpretations of the Uniform City Income Tax Ordinance, MCLA 141.601 et seq. The Highland Park Income Tax Ordinance will prevail in any disagreement between these instructions and the Ordinance.

Amounts received before the recipient could retire under the plan provisions, including amounts paid on separation, withdrawal or discontinuance of the plan. Amounts received as early retirement incentives, unless the incentives were paid from a pension trust. See Line 10 under “Residents” for additional information on nontaxable pension and retirement benefits.

Excludable pension distributions are listed on the Exclusions and Adjustments to Pension Income schedule. Enter the total excluded pension income on the last line of the schedule and also enter the amount on page 1, line 10, column B.

Line 11 – Rental Real Estate, Royalties, Partnerships, S Corporations, Estates, Trusts, etc.
All income reported on the federal Schedule E that comes from business activity in Highland Park or property located in Highland Park is taxable to nonresidents. When an estate or trust has taxable income in Highland Park, the estate or trust must file a return and pay tax on distributions to nonresidents and on undistributed taxable income.

The following income reported on federal Schedule E is excludable: income from business activity or property outside Highland Park; tax option corporation (S corporation, etc.) flow through income or loss reported on Schedule E; and income from estates and trusts.

Explain all exclusions on the Exclusions and Adjustments to Income from Rental Real Estate, Royalties, Partnerships, S Corporations, Trusts, etc. schedule. On line 6 of this schedule enter the total exclusions and adjustments; enter also on page 1, line 11, column C.

Line 12 – Subchapter S Corporation Distributions are taxable if the business is located in Highland Park. Losses on an S-Corp cannot be transferred to H-1040.

Line 13 – Farm Income or (Loss)
A nonresident’s profit or loss from a farm are included in Highland Park income to the extent the profit or loss results from work done, services rendered or other activities conducted in Highland Park. The portion of the profit or loss reported on Highland Park return is determined by use of the three factor Farm Allocation Percentage formula. Where no work is done, services rendered or other business activity is conducted in Highland Park, the entire farm profit or loss is excluded, using the Exclusions and Adjustments to Farm Income schedule.

Sales of crops at the produce market, any of the farmer’s markets or a produce stand located in the city is Highland Park business activity and subjects the farm to Highland Park income tax.

Line 14 – Unemployment Compensation
NOT TAXABLE. Exclude all. No explanation needed.

Line 15 – Social Security Benefits
NOT TAXABLE. Exclude all. No explanation needed.

Line 16 – Other Income
Other income is taxable if it is from work performed or other activities conducted in Highland Park. Use the Exclusions and Adjustments to Other Income schedule to document exclusions and adjustments. Report on this line a Highland Park-related net operating loss carryover from the previous tax year.

Line 17 – Reserved – Not used

Line 18 – Total Income
Add lines 1 through 16 of each column and enter amounts on line 18.

Line 19 – Total Deductions
Enter amount from Deductions schedule, page 2, line 7. A nonresident’s deductions are limited by the extent they relate to income taxable under the Highland Park Income Tax Ordinance. Nonresidents must allocate deductions the same way related income is allocated. See Deductions schedule (page 2 instructions) for a list of allowable deductions.
