Failure to attach documentation or attaching incorrect or incomplete documentation will delay processing of the return or result in corrections being made to the return.
WHO MUST FILE A RETURN
If you had Highland Park taxable income greater than the total of your personal and dependency exemptions, you must file a tax return — even if you did not file an external tax return. See Exemptions schedule for more information on your allowable exemption total. You are required to file a tax return and pay tax even if your employer did not withhold Highland Park tax from your paycheck. You will be required to make estimated income tax payments if you work for an employer not withholding Highland Park tax from your 2014 wages.

ESTIMATED TAX PAYMENTS
When your total income tax is greater than the amount of tax withheld plus other credits by $100 or more, you may be required to make quarterly estimated tax payments. File Form HP-1040ES (available on the Highland Park website) by April 30 of the tax year and pay at least one-fourth (¼) of the estimated tax. The remaining estimated tax is due in three equal payments on June 30 and September 30 of the tax year and January 31 of the following year. Adjust the remaining quarterly payments if your income increases or decreases during the year.

Failure to make required estimated tax payments or underpayment of estimated tax will result in assessment of penalty and interest.

DUE DATE AND EXTENSIONS
Returns are due on or before April 30, 2014. The due date of the annual income tax return may be extended for a period not to exceed six months. To apply for an extension, file Form HP-4868, Application for Automatic Extension of Time to File an Individual Income Tax Return. Applying for a federal extension does not satisfy the requirement for filing a Highland Park extension. Application for an extension must be made and the tentative tax due must be paid (MCL 141.664). Filing an extension with payment is not a substitute for making estimated tax payments. An extension does not extend the time for paying the tax due.

When an extension form is filed and the balance due is paid, it may be assumed that the extension is automatically granted unless otherwise notified. Interest and penalty is charged on taxes paid late even if an extension of time to file is granted. Penalties may be waived by the Income Tax Administrator if the original due date is not understated by more than 5% of tax or the corporation can show that the failure to pay on time was due to reasonable cause.

AMENDED RETURNS
File amended returns using the HP-1040. Clearly mark AMENDED at the top of the return. If a change on your federal return affects Highland Park taxable income, you must file an amended return within 60 days of the change and pay the tax due. An adjustment must be made for tax paid or refunds received from the original return. Write in the tax paid or refunds received to the left of the box on page 2, Payments and Credits schedule, line 4; Include the tax paid and subtract refunds from the original return when totaling amended return payments and credits. All schedules supporting the changes should accompany the filing. Every change must be documented. Mail amended returns to: Highland Park Income Tax, 3401 Eavile, Hamtramck, MI 48212.

CHARGES FOR LATE PAYMENTS
All tax payments remaining unpaid after they are due are liable to a penalty of 1% per month, not to exceed a total penalty of 25%, and bear interest at the rate of 1% above the prime rate on an annual basis. The minimum combined charge for interest and penalty is $2.00.
