

SIGN PERMIT APPLICATION

<u>All Sign Permit applications must be accompanied by one fully dimensional drawing of the sign</u>, including details of the sign schematics with measurements, proposed location of the sign, a rendering showing position of sign related to nearby suites/buildings/structures and property lines, site plan with distance measurement showing sign location, any easements, and right-of-way. All Illuminated signs require an Electrical Permit

All Ground Signs require signed/sealed engineered drawings and calculations to be submitted with the sign permit application.
